GENERAL AUCTION RULES

Payment Procedures

Your Bid Card Number is also your account number with the Bid & Cashier Committee. When you check out at the end of the evening, you will receive an itemized list of your purchases at the cashiers table. Please check this closely to be sure that all items are correct. Full payment **MUST** be made for all purchases the evening of the auction.

We do have a manual backup system by which we record the actual purchase price of each item. If you have questions about your invoice against the bid sheet for the items that you purchased so that any discrepancies may be resolved before you pay your invoice total.

Payment may be made by cash, check, VISA, MasterCard, AMEX.

Claims of Items Purchased

All items purchased during the auction must be removed from the auction site by the purchaser at the end of the evening. These items may be picked up from the Holding Area at the end of the auction. We are most grateful to The University of West Georgia and their staff for having us, and we do not wish to inconvenience them by leaving auction items at the end of the evening.

Silent Auction

A bid sheet is placed with each item.

A minimum bid will be required for each item.

Each bid must increase the previous bid by the designated bid increase amount.

To bid, enter your bid number and bid amount. Please follow the lines consecutively.

A member of the Silent Auction Committee will be monitoring the bid sheets during the Silent Auction.

They will put a new sheet out when the initial sheet becomes full.

At the close of the Silent Auction, the final bid on each item will be highlighted by a member of the Silent Auction Committee and will be recorded by the Cashier. This will constitute the winning bid and be submitted for payment.

Live Auction

The Live Auction is conducted and controlled by the Auctioneer. The Auctioneer will determine the winning bid by the bidders bid card number and bid amount. The winning bid card number and bid amount will be conveyed to the Bid & Cashier Committee.
